compLexity & Meet Your Makers Join G7 Teams

compLexity Syndicate (coL) of the United States and Meet Your Makers (mYm) of Denmark have joined G7 Teams, an international federation of professional electronic-sports teams. coL and mYm join the ranks of 4Kings, Fnatic, MIBR, Mousesports, NiP, SK-Gaming, and Team 3D in G7 Teams, and the G7 Teams will work cooperatively to promote, develop, and grow professional e-sports. compLexity and Meet Your Makers are two of the most well respected and professional e-sports organizations and their addition bolsters G7 Teams as a forum for teams to work with leagues, event organizers, media organizations, and other teams.
